

In the Court of Appeals of the State of Alaska

Basil Backford,

Appellant,

v.

State of Alaska,

Appellee.

Court of Appeals No. **A-12995**

Order

Motion to Appeal Superior Court Report

Date of Order: **11/25/2020**

Trial Court Case No. **3DI-15-00307CR**

After the Appellant, Basil J. Backford, alleged that the trial court record was inaccurate, this Court remanded this case to the superior court to address Mr. Backford's allegation under Appellate Rule 210(i). The superior court has now issued its report, and Mr. Backford has filed a motion asking to appeal that report.

Because the superior court's report arose during the pendency of the current appeal, Mr. Backford's motion is **DENIED as moot**. That said, Mr. Backworth may address any errors he believes occurred concerning the report in his opening brief in the current appeal.

Entered under the authority of the Chief Judge.

Clerk of the Appellate Courts
